Date

Application Requirement Checklist

- Completed an ESCC application (not required if previously submitted)
- Requested official high school or GED report to be sent to ESCC. High school seniors will need to submit a 7 month semester transcript. A final transcript is required after graduation. It is the applicant's responsibility to ensure all transcripts be final and are on file. **Send official transcripts to the Office of Registration and Records, Room 160.**
- Requested transcripts from all colleges/universities previously attended to be sent to ESCC. Transcripts will need to be final and not "In Progress." Transcripts must be postmarked by the application deadline. It is the applicant's responsibility to ensure all transcripts be final and are on file. **Send official transcripts to the Office of Registration and Records, Room 160.**
- Requested official ACT score report to be sent to Edison if taken within the last 5 year. (This does not need to be done if ACT score appears on high school transcript.) **Send official score report to the Office of Registration and Records, Room 160.**
- Completed Edison placement assessment. Contact the Student Services Office to schedule a placement assessment at (937) 778-8600. This assessment is **NOT** required if a student has:
 - Previously taken a college level English or Math course **OR**
 - Received an English score of 18 or higher, Reading score of 22 or higher, and a Mathematics score of 20 or higher. The ACT must have been taken within the last 5 years.
- Completed a Veterinary Technology Associate of Applied Science Program Application.
- Applicant has an overall college GPA (or H.S. GPA if no college course have been taken) of 2.5 or higher
- Applicant completed the below "Additional Program Requirements" prior to application deadline
- Applicant acknowledges the additional requirements that will need to be completed upon acceptance into the Veterinary Technology Program

If you wish to check on your file, call (937) 778-8600 and ask for Registration and Records.

Additional Program Requirements

The following requirements should be completed prior to application deadline:

- Field Experience**
 - Applicant must provide documentation from a veterinary facility showing a minimum of 30 hours of shadowing a registered veterinary technician (RVT) within the last year. This documentation should list the name of the facility, the name of the RVT, address and phone number of the facility, and have a signature and typed name from the RVT and supervisor (Office Manager, licensed Veterinarian, or owner of the facility).
 - Be professional and respectful during your experience. Follow through with scheduled times and dress professionally, but comfortably (closed toed shoes are necessary).
- CIS 100S**
 - Taken and passed CIS 100S Introduction to Computers **OR**
 - Passed the CIS 100S Proficiency Exam
- Math**
 - Satisfactory placement assessment score in math **OR**
 - ACT Math score of 20 or higher within the last 5 years **OR**
 - Taken MTH 093D Math Literacy with a "B" or higher or MTH 098D Intermediated Algebra I with a "C" or higher **OR**
 - Received transfer equivalency credit for MTH 093D or MTH 098D
- Chemistry**
 - Taken and passed one year of high school chemistry **OR**
 - Taken and passed CHM 110S Introduction to Chemistry **OR**
 - Received transfer equivalency credit for CHM 110S Introduction to Chemistry

- Reading and Writing**
 - Have satisfactory placement assessment scores in reading and writing to be ready to take ENG 121S **OR**
 - ACT English score of 18 or higher AND Reading score of 22 or higher within the last 5 years **OR**
 - Successfully completed ENG 094D Composition I Plus **OR**
 - Received transfer equivalency credit for a college level ENG composition course

Upon acceptance into the Veterinary Technology Program, the student will need to provide or complete the following prior to June 30th:

- Documentation of a physical examination within the past year.
 - Students must be physically able to lift 40 pounds of weight
 - Students able to work with a variety of animal species including, but not limited to, dogs, cats, horses, cows, goats, mice, rats, rabbits, and birds. This also includes fecal/blood/urine specimens.
 - NOTE: Pregnancy should be reported to the Program Director immediately, and a doctor's note will need to be obtained to determine any restrictions. Students may be exposed to zoonotic pathogens, x-ray radiation, and anesthetic gases during different veterinary technology courses and clinical experiences.
- Documentation of Tuberculin Testing (Mantoux) within the past year
- Documentation of a Tetanus booster w/ Pertussis (TDAP) within the past eight years.
- Documentation of health insurance coverage. This coverage must be kept on a continual basis while attending Edison as a Veterinary Technology student.
- Documentation of the Rabies vaccine **OR** sign a waiver declining the vaccine at this time.
- Drug test clearance
- Background check clearance
 - Applicants to the veterinary technology program should be aware that Section 4741.22 of the Ohio Revised Code gives the Ohio Veterinary Medical Licensing Board authority to deny a graduate with criminal offenses (egregious felonies, offenses that involve illegal or prescription drugs, and others) eligibility to obtain a license. Criminal record background checks (fingerprinting) are required to be completed during the application process for an Ohio license.
- Students in the Veterinary Technology program must obtain a "C" or higher in all veterinary technology courses and in CHM 111S, BIO 121S, and COM 121S, and maintain a cumulative GPA of 2.5 or higher throughout the program.
- Students must maintain a 75% exam average in all veterinary technology courses.

APPLICATION PROCESS

Submit application to:
 Registration and Records, Room 160
 Edison State Community College
 1973 Edison Drive
 Piqua, OH 45356

Questions:

Elizabeth Bingham, RVT
 Veterinary Technology Program Coordinator
 Email: ebingham@edisonohio.edu
 Phone: 937.381.1544
