

SYLLABUS
PART I
EDISON STATE COMMUNITY COLLEGE
VET 291L VETERINARY TECHNOLOGY INTERNSHIP EXPERIENCE
2 CREDIT HOURS

COURSE DESCRIPTION

Students will be supervised by a licensed veterinarian and/or registered veterinary technician in a practice of their choice. They will be required to further develop and refine previously acquired skills to become a competent veterinary technician in a future career position. A minimum of 256 internship hours will be required to be completed in this course. Prerequisite: VET 285S and departmental permission. Co-requisite: VET 291R.

COURSE GOALS

The student will:

Bloom's Level		Program Outcomes
5	1. Assess and grow their hands-on skills, client communication skills, and knowledge-based skills for both their future career as a registered veterinary technician and their testing with the Veterinary Technician National Examination.	1, 2, 3, 4, 5, 6, 7, 8, 9
4	2. Connect the knowledge learned in school with real experience as a veterinary technician.	1, 2, 3, 4, 5, 6, 7, 8, 9
3	3. Apply the previously taught material in various roles and tasks legally applicable to the position of a registered veterinary technician.	1, 2, 3, 4, 5, 6, 7, 8, 9
3	4. Demonstrate competence in the role of a veterinary technician, as determined by the supervising veterinarian and/or veterinary technician.	1, 2, 3, 4, 5, 6, 7, 8, 9
5	5. Adapt to the required professionalism standards and ethics of the chosen veterinary site and field.	1, 2, 3, 4, 5, 6, 7, 8, 9

CORE VALUES

The Core Values are a set of principles that guide in creating educational programs and environments at Edison State Community College. They include communication, ethics, critical thinking, human diversity, inquiry/respect for learning, and interpersonal skills/teamwork. The goals, objectives and activities in this course will introduce/reinforce those Core Values wherever appropriate.

TOPIC OUTLINE

1. Practice as a veterinary technician under the direct supervision of a veterinarian.
2. Treat position as a working interview.
3. Gain more experience and knowledge for future endeavor in the veterinary field.
4. Complete a minimum of 256 internship hours.
