

SYLLABUS
PART I
EDISON STATE COMMUNITY COLLEGE
MED 290L MEDICAL ASSISTING INTERNSHIP
2 CREDIT HOURS

COURSE DESCRIPTION

Provides the student with first-hand experience in a health care reimbursement setting. Students will demonstrate the use of skills learned in previous coursework and apply those skills in a physician's office or other reimbursement setting. The course consists of 240 hours of time at the intern site for observation and practice of administrative and billing techniques. Prerequisite: MED 230S, MED 233S, MED 234S with grades of C or better, or by departmental permission. Co-requisite: MED 291R. Lab fee.

COURSE GOALS

The student will:

Bloom's Level		Program Outcomes
3	1. Apply administrative competencies to the medical office setting.	4
3	2. Apply the knowledge and skills learned in the classroom in a health care reimbursement facility or department.	4, 5
3	3. Demonstrate professionalism.	1
5	4. Reinforce the legal and ethical implications of working in health care reimbursement areas.	6
3	5. Demonstrate effective communication with patients/clients, insurance carriers, providers, and co-workers.	2
3	6. Demonstrate respect for diverse populations.	2

CORE VALUES

The Core Values are a set of principles that guide in creating educational programs and environments at Edison State. They include communication, ethics, critical thinking, human diversity, inquiry/respect for learning, and interpersonal skills/teamwork. The goals, objectives, and activities in this course will introduce/reinforce those Core Values whenever appropriate.

TOPIC OUTLINE

1. Application of Learning from Coursework in 240 Internship Hours
2. Weekly Discussion Meeting About Internship Experience
