

**Agreement for the Articulation of Tech Prep Curricula
Agribusiness & Production Systems Satellite Programs**
Edison State Community College and Miami Valley Career Technology Center

Effective August 2017

Purposes:

- To recognize the achievement of students and faculty at Miami Valley Career Technology Center (MVCTC) satellite locations
- To offer college credit to all affiliated students and to award credit for those who merit it
- To create a seamless pathway to college that avoids unnecessary duplication of content
- To hold both high school and college students to the same rigorous standards for credit

This agreement applies to students who have:

1. Completed successfully the applicable Agricultural and Environmental Systems career field pathway course(s),
2. Been accepted for admission and enrolled in the AAS - Agriculture program at Edison State CC within two years of graduation.

The parties agree that:

1. College credit will be articulated for the appended college courses (Application for College Credit) for achievement of the ODE end-of-course assessment (WebXam) performance standard.
2. The satellite instructor will submit each student's Application for College Credit to Edison State Community College by the stated deadline.
3. All students requesting articulated credit will submit an application to Edison State Community College.
4. Students must matriculate at ESCC within two (2) years of graduation from high school for the credit to be transcribed.
5. This agreement will be valid for a period of three years from the effective date with an annual review by the MVCTC instructor/administrator and ESCC program. The parties will meet every three years to update curriculum and assessment procedures and to approve a new agreement.
6. Changes to this agreement may be requested at any time by notification from either party.
7. Credits will be added to the transcript and counted toward a pathway degree program at Edison State Community College.
