

Agreement for the Articulation of Tech Prep Curricula Engineering Technology

Edison State Community College and Tri Star Career Compact
Effective August 2020

Purposes:

- To recognize the achievement of students and faculty at Tri Star Career Compact (TSCC)
- To offer college credit to all TSCC students and to award credit for those who merit it
- To create a seamless pathway to college that avoids unnecessary duplication of content
- To hold both high school and college students to the same rigorous standards for credit

This agreement applies to students who have:

1. Successfully completed the one-year Engineering Technology program at TSCC,
2. Earned an average grade of B better in program coursework at TSCC,
3. Been accepted for admission and enrolled in an Engineering program at Edison State Community College within two years of graduation from TSCC.

The parties agree that:

1. College credit will be awarded for the appended college courses (Application for College Credit) with a passage rate of 70% or higher on the college administered proficiency exam or other means of assessment required by Edison State Community College.
2. The TSCC instructor will submit each student's Application for College Credit to Edison State Community College by the stated deadline.
3. All students requesting articulated credit will submit an application to Edison State Community College.
4. Students must matriculate at Edison State Community College within two (2) years of graduation from high school for the credit to be transcribed.
5. This agreement will be valid for a period of three years from the effective date with an annual review by program instructor and college professors. The parties will meet every three years to update curriculum and assessment procedures and to approve a new agreement.
6. Changes to this agreement may be requested at any time by notification from either party.
7. Credits will be added to the transcript and counted toward a pathway degree program at Edison State Community College.

Directions: The TSCC instructor will complete one form for each senior student in the program and submit to the Tech Prep Coordinator by May 1.

Student Name _____

Address _____ City _____ State ___ Zip _____

Phone _____ Edison Student ID _____ Date of Birth _____

Proficiency: Upon successful completion of Edison State Community College Proficiency Examination(s), I recommend this student receive articulated credit(s) for the following courses by achieving a score of $\geq 70\%$ on the corresponding SAM or Microsoft Office Specialist (MOS) assessment, as documented by attached certificate(s).

Note: Student will be awarded credit for CIS 110S upon successful completion of that proficiency exam or by successful completion of the assessments for three of the one-hour classes listed. (Maximum – 3 Credit Hours)

_____	CIS 101S	Introduction to Word Processing	1 credit hour
_____	CIS 102S	Introduction to Spreadsheets	1 credit hour
_____	CIS 103S	Introduction to Data Processing	1 credit hour
_____	CIS 104S	Introduction to Presentation Graphics	1 credit hour
_____	CIS 110S	Computer Concepts and Applications	3 credit hours

Articulation: This student completed the Engineering Technology Program with a B or better, and I recommend this student receive articulated credit for: (Check only if program curriculum completed.)

_____	EGR 100S	Introduction to Engineering	1 credit hour
-------	----------	-----------------------------	---------------

Articulation: Upon successful completion of Edison State curriculum proficiency or other college approved assessment, I recommend this student receive articulated credits for: (include actual scores of $\geq 70\%$)

_____	EGR 110S	Print Reading and Sketching	2 credit hours
_____	MET 130S	AutoCad I	3 credit hours
_____	MET 247S	Design with Inventor I	2 credit hours
_____	MFG 120S	Materials Technology	3 credit hours
_____	WLD 111S	Basic Welding	2 credit hours

Proficiency:

_____	IMT 112S	Environmental Health and Safety (10 Hour OSHA credential attached)	3 credit hours
_____	ELT 233S	Servo Systems & Robotics (FANUC certificate attached)	3 credit hours
