Agreement for the Articulation of Tech Prep Curricula Veterinary Science Program

Edison State Community College and Greene County Career Center

Effective August 2022

Purposes:

- To recognize the achievement of students and faculty at Greene County Career Center (GCCC)
- > To offer college credit to all GCCC students and to award credit for those who merit it
- > To create a seamless pathway to college that avoids unnecessary duplication of content
- To hold both high school and college students to the same rigorous standards for credit. This agreement applies to students who have:
 - 1. Successfully completed the two-year Veterinary Science program at GCCC,
 - 2. Earned an average grade of C or better in all program coursework at GCCC,

The parties agree that:

- 1. College credit will be awarded for the appended courses (Application for College Credit) with a passage rate of 80% or higher on the college administered proficiency exam as required by Edison State Community College (ESCC) or college credit will be articulated for the appended college course (Application for College Credit) for achievement of the ODE end-of-course assessment (WebXam) performance standard.
- 2. The GCCC teacher will submit each student's Application for College Credit to ESCC by the stated deadline.
- 3. All students requesting articulated credit will submit an application to ESCC.
- 4. This agreement will be valid for a period of three years from the effective date with an annual review by program high school teachers and college professors. The parties will meet every three years to update curriculum and assessment procedures and to approve a new agreement.
- 5. Changes to this agreement may be requested at any time by notification from either party.
- 6. Credits will be added to the transcript and counted toward a pathway degree program at ESCC.
