Edison State Community College Basic Peace Officer Training Academy

The Basic Peace Officer Academy is a program authorized and supervised by the Ohio Peace Officer Training Commission. The academy will satisfy or exceed the training hours required by the Ohio Commission and will prepare students for all areas of the Peace Officer Certification Exam.

Academy Schedule

Two academies are scheduled per year providing there is sufficient enrollment.

- One academy beginning in January
- One academy beginning in July

Each academy runs for approximately 23 weeks and includes more than 750 hours of instruction. Applications will open 2 months prior to the start of the academy. The day academy hours are 8:30 am to 1:30 pm Monday through Friday and 8 am to 5 pm on Saturday. Hours for the night academy are 5:30 pm to 10:30 pm, Monday through Friday and 8 am to 5 pm on Saturdays.

Eligibility

There are two ways to be accepted into the Basic Peace Officer Academy.

1. **Open Enrollment Applicants:** persons wishing to enter the academy who do not hold a current oath or commission with an Ohio law enforcement agency. Each applicant must complete a multi-page application and short interview with a review committee to compete for a seat in the academy. This process must be completed four weeks before the academy begins.

To qualify as an open enrollment candidate

- You must be at least 21 years old no later than 6 months after the academy ends
- You must have a valid Ohio driver's license
- You cannot have any felony convictions
- You cannot have any conviction from a domestic violence charge

2. **Sworn Officers:** persons who hold a current oath or commission of office with any Ohio law enforcement agency. Sworn officers are automatically accepted into the academy and do not have to fill out the complete application or sit for the interview. If a sworn officer needs only part of the academy curriculum, the academy commander will work with the officer to schedule the appropriate attendance dates.

To begin the academy enrollment process contact Veronica French at 937-778-7865 or vfrench@edisonohio.edu.

At this time there are no official prerequisites for the Basic Peace Officer Academy. However, all successful applicants will be proficient in keyboarding and ready for college level English. If you need keyboarding skills take BUS 120S at Edison State Community College. If you have never successfully passed an English class in college, you should take the placement test given through admissions. Call Admissions, 937-778-8600 or visit Student Services, room 160 to schedule a two-hour admissions/placement appointment.

Training Location

Training will be held at Edison State Community College, Piqua Campus. Other community locations may be used for the practical training blocks.

Staff

Classroom instruction is provided by experienced, state-certified instructors. Our academy commander is Joe Mahan. The Dean of Professional and Technical Programs at Edison State Community College is Andy Runyan; located in room 337. For academy information and application materials, contact Veronica French at 937-778-7865 or vfrench@edisonohio.edu.

College Credit and Tuition

The cost of the Basic Peace Officer Academy will be \$5,812.12. All curriculum, study materials, ammunition and vehicles needed for the training are included in the basic cost. Students are also provided with two uniform shirts, a workout shirt, and a carry bag.

Edison will award 26 semester credit hours for the completion of the Basic Peace Officer Academy. Those hours apply toward a two-year associate degree and can transfer to other institutions. Students will register for two classes of 13 credit hours each. Grades based on performance in the program will be awarded at the end of each class.

An optional payment plan is available which allows you to spread your payment into five payments. The plan has a \$25 enrollment fee.

Financial Aid

Financial Aid is available for the Basic Peace Officer Academy. To apply for financial aid or for questions regarding financial aid, call 937-778-8600 or visit them in Student Services, room 160. Applying early for financial aid will ensure the funds are available when class begins.

Class Size

Academy classes will be between 15 and 25 students in order to maintain safety and provide a quality training environment.

Additional Equipment

All academy students must provide notepaper, pens, pencils, large 3-ring binder, flashlight and a copy of the Ohio Revised Code Handbook (available through Edison Bookstore). **All academy paperwork and notebook work must be submitted typewritten.** Students may use the computers and printers in the Learning Lab, located in the Library, for this purpose.

The academy will provide a firearm, ammunition, and appropriate duty gear for the student's use during training. **Students who wish to purchase their own firearm are cautioned to wait until after the familiarization lecture provided early in the academy before making these purchase decisions.**

2022-2023 Important Information for Financial Aid

- All financial aid recipients are responsible for reading the Financial Aid Policy & Procedures Handbook posted on Edison State’s Financial Aid website. Financial aid recipients are also responsible for checking the “Addendums/What’s New” link on Edison State’s Financial Aid website for any updates to the Financial Aid Handbook.

IMPORTANT – Pay particular attention to and understand the following items in the Financial Aid Handbook:

- The Bookstore Charging Policy (How to get your books before your aid is disbursed.)
 - Drop / Withdrawal Policy (How will dropping and/or withdrawing impact your aid.)
 - Pell Life-Time Eligibility Limitation (When you will exhaust your Pell eligibility.)
 - Subsidized Loan 150% Eligibility Limitation (When you will exhaust your subsidized loan eligibility.)
 - The Satisfactory Academic Progress Policy (How to keep in good academic standing for aid eligibility.)
 - The Federal Title IV Return of Funds Policy (What will happen if you cease to attend your classes.)
- Edison State’s main mode of communication is via Edison State e-mail accounts.** Student postal addresses will be used for students who do not have an Edison State e-mail address on file. There may be communication sent to the postal address even if the student has an Edison State email account. It is the student’s responsibility to check both his/her Edison State e-mail account and postal mail frequently.
 - Students must pursue and officially declare a two-year degree or a one-year certificate with Student Services to be considered for federal financial aid. Not all one-year certificate programs have been approved as qualifying for federal financial aid. Programs that are not federal aid eligible are identified in the course catalog.
 - Students may only draw financial aid from one institution of higher education for a specific term or semester.
 - Priority Deadline:** If a student fails to submit documents by the Financial Aid priority deadline, he or she may need to use personal funds to meet the registration payment-due date. The priority deadlines are as follows:

Semester	Summer 2022	Fall 2022	Spring 2023
FAFSA Submission	April 4, 2022	April 4, 2022	September 5, 2022
Verification and Loan Document Submission	April 18, 2022	April 18, 2022	September 19, 2022

- Pell Lock-in occurs on a particular date. Generally, whatever a student’s enrollment is on that date will be used in the recalculation of their Pell Grant award. Be sure to read the Pell Lock-in Policy for a clear understanding, especially if you drop a late start class after Pell has disbursed.

Summer 2022 Lock-in	Fall 2022 Lock-in		Spring 2023 Lock-in	
6/21/2022	9/13/2022	11/8/2022	2/7/2023	4/11/2023

- Students must complete a Loan Request form or a Student Worker Renewal Request form each financial aid year and all other requirements before eligibility can be determined for the respective programs.
- Students must inform the Office of Student Financial Aid of any financial aid received, such as alternative education loans, scholarships, WIA benefits, employer reimbursements, etc.
- FINAL DEADLINES:** 2022-2023 Financial aid documents must be submitted 60 days before the end of Edison State’s 2022-2023 award year or 60 days before the end of the last 2022-2023 semester attended, whichever comes first. Failure to submit financial aid documents by the deadline may prevent awarding of aid. If you are unable to submit verification documents within the required deadline, please see a financial aid counselor for guidance.

Loan Frequently Asked Questions

Q. How many credit hours must I take in order to borrow a Federal Direct Student Loan?

A. You must enroll in and attend six credit hours or more.

Q. Can I take out one loan for the entire length of my enrollment at ESCC?

A. No. Student loans are annual loans. The year begins with summer. You may borrow for summer/fall/spring or summer/fall or fall/spring or any one semester as long as you enroll in and attend at least six credit hours each of those semesters.

Q. How much should I borrow?

A. We encourage students to only borrow what is necessary. **You must repay these funds.** After the loan is processed, you may request our office to cancel a portion or the entire loan, if you decide that you do not need it.

To estimate your tuition, multiply the number of anticipated credit hours by the current per credit hour charge (<http://www.edisonohio.edu/How-Much-Does-It-Cost/>); see the online catalog for additional course fees and visit the bookstore to estimate the cost of your books and supplies.

Q. What is the maximum that I may borrow in one Financial Aid year?

A. The current annual loan limits are as follows:

Grade Level 1 - Independent Student

\$3,500 Base Direct Loan

\$6,000 Additional Unsubsidized

Grade Level 2 - Independent Student

\$4,500 Base Direct Loan

\$6,000 Additional Unsubsidized

Grade Level 1 - Dependent Student

\$3,500 Base Direct Loan

\$2,000 Additional Unsubsidized

Parent Loan (PLUS)

Grade Level 2- Dependent Student

\$4,500 Subsidized Direct Loan

\$2,000 Additional Unsubsidized

Parent Loan (PLUS)

Q. Is it guaranteed that I will always receive the loan amount I request as long as it is within the annual loan limit?

A. No. There are many variables in determining eligible loan amounts (i.e. cost of attendance, EFC, other aid received, length of loan period, length of time left in academic program, 150% Subsidized Loan limitation, etc.) The Office of Student Financial Aid will determine the actual amount of your loan based on your eligibility.

Q. What is the Base Direct Loan?

A. The Base Direct Loan can be comprised of both Subsidized and Unsubsidized loans. The student's Subsidized loan eligibility may not exceed the Base Direct Loan limit for your grade level. If your Subsidized Loan amount is less than the Base Loan limit, any remaining requested amount may be certified as an Unsubsidized Loan (if you have requested Unsubsidized Loans).

Q. What is the difference between a Subsidized and Unsubsidized loan?

A. Subsidized Loan: The government pays the interest while the borrower is in school attending six or more credit hours and during any periods of deferment.

Unsubsidized Loan: The borrower is responsible for all interest. The interest payments may be deferred while the borrower is in school attending six or more credit hours, during their grace period, and during any periods of deferment.

Q. When will I receive my refund?

A. Loan refunds are mailed within 14 calendar days after your loan is disbursed to your student account.

Q. How many credits must I accumulate to be at grade level 2?

A. 30 credit hours.

Q. If I accumulate 30 credit hours after my loan is guaranteed, may I apply for an increase due to progression in grade level?

A. Yes. Once grades are determined (to insure 30 credit hours have been earned) you may reapply for your remaining eligible amount by submitting your request in writing on the Request for Change in Aid form.

Q. How many credits must I accumulate to be at grade level 3?

A. You may not be considered above grade level 2 as ESCC is a 2-year college.

Q. If I request an in-school deferment (postponement of repayment), will I remain in deferment regardless of the number of credit hours for which I am enrolled?

A. No. You must maintain six credit hours or more to remain in deferment. (Enrollment status reports are made periodically throughout the year.) If you drop below six credit hours, your grace period (the six-month period prior to repayment) will begin the day you drop below six credit hours.

Example: You attended Fall Semester at six credit hours. You enroll Spring Semester at five credit hours. The date you will be considered at less than six credit hours will be the day following the last day of the Fall Semester.

Q. Can I maintain my six credit hour enrollment status if I enroll but do not attend classes?

A. No. If you fail to attend at six credit hours or more you will be reported to the Department of Education and will be put into immediate repayment.

Q. When I transfer to another college, what do I need to do to keep my loan in deferment?

A. You must notify your servicer of the change in schools. Your servicer will provide you with further guidance.

Q. When I prepare to leave Edison State (or continue at less than six-credit-hour enrollment), what do I need to do regarding my loans?

A. You must participate in Exit Loan Counseling. You may do so on-line by visiting www.studentaid.gov.

Q. How do I view the status of my loan?

A. You may view your Edison State financial aid awards on MyESCC. To access your MyESCC account, visit www.edisonohio.edu. Your federal loan history may also be viewed on the National Student Loan Data System website at www.studentaid.gov
