

ESCC (A.A.S./A.A.B.) and PFW (B.A.S.)

**ARTICULATION AGREEMENT BETWEEN
Edison State Community College
Associate of Applied Science and Associate of Applied Business Programs**

and

**Purdue University by and on behalf of
Purdue Fort Wayne and its
Bachelor of Applied Science Program**

**Article I
Agreement on Principle**

Purdue University by and on behalf of Purdue Fort Wayne, a state educational institution organized and existing under the laws of the State of Indiana, located at 2101 E. Coliseum Blvd, Fort Wayne, IN 46805 (PFW) and Edison State Community College (ESCC) located at 1973 Edison Dr, Piqua, OH 45356 agree that students who choose to begin their studies at a community college and transfer to a university to earn a bachelor's degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, PFW and ESCC agree to enter into this articulation agreement to facilitate the completion of the Associate of Applied Science and Associate of Applied Business programs at ESCC and the Bachelor of Applied Science program at PFW. Both parties enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs. This agreement does not address financial aid eligibility. Each student's eligibility to receive financial aid will be evaluated on an individual basis and administered in compliance with all Federal, state and local regulations and policies.

**Article II
Agreement on Program Specifics**

PFW and ESCC agree that interested students may transfer the course credits indicated on the attached articulation guide toward a Bachelor of Applied Science (B.A.S.) at PFW. Under this agreement, PFW will accept up to 88 credits from ESCC and will require a minimum of 32 resident credit hours to be completed while at PFW. Students must complete a minimum of 15 hours at the 300-level or above in courses applicable to the major. Those credit hours can be applied to PFW's graduation requirement that a minimum of 30 credit hours must be taken at the 300- and 400-level; transfer courses, at the appropriate level, fulfill this requirement. A minimum of 120 total credits is required to graduate.

To use this agreement students must apply and be admitted to PFW and to the B.A.S. program. ESCC students will receive equal consideration with other students seeking admission and financial aid.

The Ohio Transfer Module (OTM) requirements may be completed before admission to PFW. If already on the transcript, OTM designation will be accepted at PFW after August 1, 2020. Completing all OTM requirements (30 credits) at or above the minimum grade expectation will satisfy 30 of PFW's 33 General Education Requirements. Students who have not satisfied the OTM agreement must complete PFW's General Education Requirements as applied to transfer students. All other PFW graduation and program requirements must be satisfied whether by transferred courses, PFW courses, or approved substitutions or waivers.

ESCC (A.A.S./A.A.B.) and PFW (B.A.S.)

For the purpose of this articulation agreement, both ESCC and PFW agree to accept transferable courses from each other and from other regionally accredited institutions. Articulation guides will be provided to assist students in completing the articulated program of study. Each institution will determine the satisfaction of their individual program and degree requirements. Any substitutions for courses must be approved by the PFW Executive Director or her designee if not already stated in the agreement. In the case of a student who has accumulated credits before declaring this program, every effort will be made to maximize the use of credits already completed. All students using this agreement must complete an Associate of Applied Science or an Associate of Applied Business degree.

Article III

Agreement on Communication

PFW and ESCC agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications, following both institutions' brand guidelines, to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students.

Article IV

Maintenance and Review Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Coordinator of Professional & Technical Pathways Advising at ESCC and the Associate Vice Chancellor for Academic Programs at PFW. Both parties agree to communicate annually any changes in their respective programs that may affect this articulation agreement.

Effective Date: January 1, 2021 until June 30, 2024.

This agreement is consistent with the 2020-2021 catalog. Students have until summer 2028 to graduate from Purdue Fort Wayne following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of the current articulation guide.

**ARTICULATION AGREEMENT BETWEEN
Edison State Community College – Associate of Applied Science and
Associate of Applied Business programs
Purdue Fort Wayne- Bachelor of Applied Science program**

Edison State Community College	Purdue Fort Wayne:
<p>General Education (15 credits)</p> <p>Complete selected course(s) from the Ohio Transfer Module (OTM) approved list.</p>	<p>General Education Requirements (15 credits)</p> <p>Purdue University Fort Wayne will accepted the minimum required 15 credit hours in the Associate Degree as equivalent General Education courses.</p> <p>**Students must earn a grade of C- (1.7) or better in each course used to satisfy PFW’s general education requirements.**</p>
<p>Ohio Transfer Module (OTM) (15 additional credits)</p> <p>Complete selected courses(s) from the approved OTM list and meet all stated OTM requirements.</p> <p>If needed, complete an additional course in any of the categories to satisfy the 30 credit minimum for the OTM.</p>	<p>Completing all Ohio Transfer Module (OTM) requirements (30 credits) at or above the minimum grade expectation will satisfy 30 of PFW’s 33 General Education Requirements.</p> <p>**Students must earn a grade of C- (1.7) or better in each course used to satisfy PFW’s general education requirements.**</p>
	<p>General Education Area 8 at Purdue Fort Wayne</p> <p>All students must take one course (3 credits) on the approved list. This course may also count as part of the Bachelor of Applied Science requirements.</p> <p>You can find a list of courses at: http://catalog.pfw.edu/preview_program.php?catoid=51&poid=11075</p>
<p>ESCC Technical Concentration (up to 45 credits)</p> <p>Complete all approved ESCC program or discipline requirements.</p>	<p>Associate of Applied Science or Associate of Applied Business Degree Concentration (up to 45 credits)</p> <p>Career/technical courses from any approved ESCC program or discipline may be transferred as a block to satisfy this concentration.</p> <p>**Students must earn a grade of C- (1.7) or better in each course used to satisfy PFW’s program requirements.**</p>

ESCC (A.A.S./A.A.B.) and PFW (B.A.S.)

<p>Additional courses that may be taken at Edison State Community College or Purdue Fort Wayne</p> <p>You may complete up to 88 credits at ESCC and transfer them to Purdue Fort Wayne. Thus, you can select additional courses to complete. You will want to choose as many upper division courses as possible.</p>	
	<p>Purdue Fort Wayne Bachelor of Applied Science Concentrations (27 credits minimum)</p> <p>The Bachelor of Applied Science features several Concentrations. More information on these concentrations can be found here. Additionally, students can also complete an approved certificate and/or minor. Students should work with an academic advisor to select courses which will help to meet specific educational and/or career objectives.</p> <p>**Students must earn a grade of C- (1.7) or better in each course used to satisfy PFW's Bachelor of Applied Science Concentration.**</p>
	<p>Purdue Fort Wayne Additional Courses</p> <p>If necessary, additional courses must be completed to bring the total number of credits for graduation to 120.</p>

ESCC (A.A.S.) and PFW (B.A.S.)

APPLIED SCIENCE ARTICULATION AGREEMENT GUIDE

Edison State Community College – Associate of Applied Science and Associate of Applied Business programs

Purdue Fort Wayne – Bachelor of Applied Science program

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. Substitutions for courses must be approved by the PFW Executive Director, General Studies or designee.
2. Students with the OTM endorsement (“Transfer Module”) on their community college transcript have satisfied PFW’s General Education Core Requirements
To use the Ohio Transfer Module (OTM), students must have an official community college transcript, with the “Transfer Module” endorsement sent to PFW’s Admissions Office. If already on the transcript, this OTM designation will be accepted at PFW after August 1, 2020. Students who do not have “Transfer Module” on their community college transcript will be required to satisfy PFW’s general education requirements as applied to transfer students.
3. Only courses with a grade of “C-” or better (1.7 on a 4.0 scale) will be accepted for transfer at PFW. Under this agreement, PFW will accept up to 88 credits from ESCC and will require a minimum of 32 resident credit hours to be completed while at PFW. Students must complete a minimum of 15 hours at the 300-level or above in courses applicable to the major. Furthermore, a minimum of 30 credit hours must be taken at the 30000-40000 level to meet PFW’s graduation requirements; transfer courses, at the appropriate level, fulfill this requirement. A minimum of 120 total credits is required to graduate.
4. Students must maintain a minimum GPA of 2.0 in order to graduate with the B.A.S. at PFW. Any course meeting General Education, Applied Science Technical Transfer, and B.A.S. Concentration for the major completed with less than a C- (1.7) must be repeated.
5. Some students, depending on their county of residence, may qualify for in-state tuition. Please see Appendix A for additional details.
6. Students are encouraged to contact PFW’s B.A.S. Executive Director, La Tishia Horrell (horrelll@pfw.edu or 260-481-6623) before applying to PFW. To facilitate advising, bring a copy of this articulation guide and copies of all transcripts to all advising sessions.

Effective Date: January 1, 2021 until June 30, 2024.

This agreement is consistent with the 2020-2021 catalog. Students have until summer 2028 to graduate from Purdue Fort Wayne following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of the current articulation guide.
