Agreement for the Articulation of Tech Prep Curricula
Engineering Tech

Edison State Community College and Stebbins High School

Effective August 2022

Purposes:

- To recognize the achievement of students and faculty at Stebbins High School (SHS)
- To offer college credit to all SHS students and to award credit for those who merit it
- To create a seamless pathway to college that avoids unnecessary duplication of content
- To hold both high school and college students to the same rigorous standards for credit

This agreement applies to students who have:

1. Successfully completed the two-year Engineering Tech program at SHS,
2. Earned an average grade of B or better in program coursework at SHS,

The parties agree that:

1. College credit will be articulated for the appended college courses (Application for College Credit) with a passage rate of 70% or higher on the college administered proficiency exam or other means of assessment required by Edison State Community College.
2. The SHS instructor will submit each student's Application for College Credit to Edison State Community College by the stated deadline.
3. All students requesting articulated credit will submit an application to Edison State Community College.
4. This agreement will be valid for a period of three years from the effective date with an annual review by the program high school teacher and college professor. The parties will meet every three years to update curriculum and assessment procedures and to approve a new agreement.
5. Changes to this agreement may be requested at any time by notification from either party.
6. Credits will be added to the transcript and counted toward a pathway degree program at Edison State Community College.
