Memorandum of Understanding

Edison State Community College
and
The University of Findlay

Whereas, Edison State Community College (ESCC) and The University of Findlay (UF) share a learner-centered and community-oriented approach to higher education,

Whereas, they share a common desire to create a transition for Edison State Community College graduates seeking a University of Findlay bachelor's degree that corresponds well with programs offered at Edison State Community College, and

Whereas, the two institutions seek to use current technology to enhance the educational options for time and/or place bound, working adults.

Whereas, subject to the terms of this agreement, students who have earned an Associate Degree in Accounting at Edison State Community College and have met the minimum entrance requirements for The University of Findlay are assured admission to The University of Findlay with junior-level standing for courses of study completed at Edison State Community College. To facilitate transfer information at the earliest possible time, coordinated programs between Edison State Community College and The University of Findlay Accounting units have been developed.

Whereas, curricula at UF and ESCC are appraised annually and or/change intermittently and independently, specific transfer policies and equivalences such as those attached are subject to regular modification with the consent of the area directors recognized in the MOU for accounting.

Hereby, Edison State Community College and The University of Findlay enter into an educational alliance designed to affect the above stated aims in a manner which will provide the participating student with a quality bachelor's degree completion program.
