

A.A.S in Agriculture TO B.S in Agricultural Education

Programmatic Articulation Agreement

Edison State Community College and Central State University; School of Agricultural Education and Food Science

Pathway from A.A.S in Agriculture at Edison State Community College

TO B.S in Agricultural Education at Central State University

Established May 15, 2018

This pathway agreement will allow students enrolled at Edison State Community College, pursuing an Associates of Applied Science in Agriculture, to complete a Bachelor of Science in Agricultural Education at Central State University.

While enrolled at Edison State CC any student pursuing an A.A.S in Agriculture can declare themselves as a candidate to pursue a B.S in Agricultural Education at Central State University. To complete the transfer pathway program, students must meet the following criteria:

1. Complete all requirements for the A.A.S in Agriculture at Edison State Community College.
2. Complete General Education Requirements for Central State University as outlined in this agreement.
3. Enroll and complete EDU 2500 – Professional Education Seminar at Central State University
 - In cases where twelve or more students enroll in EDU 2500 at Edison State CC during the same semester, Central State will offer this course as a section at Edison State’s Darke County Campus in Greeneville. If less than 12 students enroll, students will travel to Central State University’s Wilberforce, Campus to complete EDU 2500.
4. Apply for Admission to the Education Preparation Program (EPP) at Central State University by **October 15 for Spring Admission, and April 15 for Fall Admission.**
5. Meet all requirements for acceptance to Central State University EPP, as outlined in this agreement.
 - A. Have a 2.75 or higher collegiate GPA.
 - B. Have scored the following on the ACT. (Reading \geq 20, English \geq 20, Math \geq 21) OR score the Following on the praxis core (Reading \geq 156, Math \geq 150, Writing \geq 162)
 - C. Earn a grade of C or Better in English 1101, English 1102, and Math 1750 (Edison State Equivalents ENG 121S, ENG122S, MTH122S)
 - D. Have completed at least 36 college credits
 - E. Have a pre-admission interview with staff of the Teacher Education Advising and Placement Center Staff (TEAP-C) and the School of Agricultural Education and Food Science.
 - F. Provide Two Favorable Faculty Recommendations
 - G. Provide a current and clear FBI/BCI background Check
 - H. Demonstrated professional Involvement

Once a student has been admitted to the Education Preparation Program (EPP), Students must demonstrate competency on the Ohio Assessment for Educator Exam in order to pursue the Secondary 7-12, or 4-9 Ohio Teaching License issued by The Ohio Department of Education. Competency on these exams is demonstrated by meeting the state benchmark on the following Assessments:

OAE Pedagogy Assessment

002 Assessment of Professional Knowledge: Middle Childhood (4–9)

OR 003 Assessment of Professional Knowledge: Adolescence to Young Adult (7–12)

As part of the pathway completion, Student will complete related courses to prepare them for the exam. Including EDU 3263, EDU3264, EDU 3265, AGED4100.

OAE Content Assessment

005 Agriscience

As part of the pathway completion, Student will complete related courses to prepare them for the exam. Including, AGB 2300, AGR 3150, AGR3250, AGR1150, AGR1220, AGR2450, AGR2150, and AGED3110.

Students transferring any of these related courses through a programmatic agreement, who cannot demonstrate competency on the OAE content assessment, may need to complete additional coursework or test preparation one or more content areas at Central State University until they have earned successful passage of the exams. Students cannot be placed in an **EDU 4491 Student Teaching** without the successful completion of these assessments.

At the completion of the Pathway program, successful students will have earned:

- Associate of Applied Science Degree in Agriculture from Edison State Community College
- Bachelor of Science Degree in Agricultural Education from Central State University
With a minor in Sustainable Agriculture.
- Ohio Secondary Teaching License in the area of Agriscience.

Renewal and review of this agreement:

This agreement will be reviewed and updated every three years. If any changes are made to academic programs prior to the three year review, all parties will be notified of those changes. Edison State's Executive Dean of the Darke County Campus and Central State University's Director of the School of Agricultural Education and Food Science will be responsible for the review and update of this agreement. On the date when the agreement was established the contacts at each of the institutions are:

Mr. Chad Beanblossom – Edison State Community College Executive Dean – Darke County Campus

Mr. Jon Henry – Central State University; School of Agricultural Education and Food Science
